In the space provided below, please draft a paragraph to be used as your **“WHO’S WHO”** in our program. You might want to include past theatrical experiences, education, hobbies and aspirations. Limit your comments to the available space provided, **45 typed words maximum**.

Editorial corrections will be made due to space considerations. Quality is much more important than quantity. Computer-generated copy should be stapled directly to this form.

*Example: Jane Smith is a third grade student at ABC school. She loves singing and dancing and hopes to be a star on Broadway. She dedicates this show to her loving family.*
